EDUCATION

Bachelor of Software engineering
SLIIT | Following

General Certificate of Education
Advanced Level Examination

General Certificate of Education
Ordinary Level Examination

TECHNICAL SKILLS

- **HTML**
- **Css**
- **Java Script**
- **C**
- **C++**
- **PHP**
- **JAVA**

SOFT SKILLS

- Service Focus
- Problem Solving
- Time Management

SAVIDU CHAMITH HERATH

PROGRAMMER

ABOUT ME

I am a passionate and dedicated Software Engineering undergraduate at SLIIT University with a strong foundation in modern web and software development. I have hands-on experience in HTML, CSS, JavaScript, PHP, C, and C++, and I am currently expanding my expertise in Java.

After learning the MERN stack (MongoDB, Express.js, React, and Node.js), I am now confident in building full-stack web applications and developing efficient, scalable solutions. With a strong interest in problem-solving, clean coding practices, and real-world software engineering, I am eager to apply my skills in a dynamic IT environment. I have also completed a diploma in English, which has strengthened my communication and teamwork abilities. Motivated, curious, and committed to continuous growth, I aim to contribute meaningfully to innovative projects and evolve as a versatile developer.

EXPERIENCE

- Developed web applications using HTML, CSS, JavaScript, and PHP, ensuring responsive and user-friendly designs.

- Built software solutions with C and C++, focusing on problem-solving and efficiency.

- Completed a full MERN stack project, gaining hands-on experience with MongoDB, Express.js, React, and Node.js for full-stack development.

- Strong understanding of software development principles and best practices.

- Completed an English diploma, improving communication and collaboration in technical environments.

LANGUAGES

- English (Fluent)
- Sinhala (Fluent)
